If you collect 8000 vocab poker credits and wish to claim for vocab poker card game against these credits then you will be asked to provide us additional informations.

### **Cookies and Pixel Tags**

Vocabpoker.com employs certain technology and cookies to collect and store certain information every time you access our website. Cookies make it possible for this website to identify the information you have agreed to provide to this website. This aggregated information assists us in establishing and analyzing the most useable parts of our website. Vocabpoker.com may also employ cookies to show you advertising. These advertisements may be displayed by us or for us by a third party.

You may change your computer's settings to disallow your browser to accept cookies.

Vocabpoker.com employs third parties to advertise on our behalf on our site as well as other websites. These third parties collect details about your browsing habits and your visits to our website including details on your behavior with our products and or services. They may utilize this collective information about on site activity and off site activity to place advertisements. This information is collected with the help of pixel tag technology, the use of which is very common on most prevalent websites on the internet. This collected information remains anonymous.

### **Player Consent**

When you access our website, you give your consent to the collection and use of this information by Vocabpoker.com, its partners and affiliates. From time to time, we may change our methods of collecting information and modify our privacy policy. We will post those changes on this page so that you are always aware of what information we collect, how we use it, and under what circumstances we disclose it.

### **Policy on Children**

Vocabpoker.com is vehemently dedicated to protecting the privacy of children and does not intentionally collect or use personal details of children under the age of 18. We are in full compliance with the Children's Online Privacy Protection Act ("COPPA"). If someone wrongfully or inadvertently provides personal details of children under the age of 18, Vocabpoker.com will securely delete this information from its records and will bar that individual from accessing its products and or services.
